Dear Fellow Congregant:

We invite you to celebrate with the KJBS Sisterhood, as we continue our special project, a unique opportunity to give thanks for our children and grandchildren, during Simchat Torah and on other meaningful occasions.

As you may remember, Darryle and Michael Gillman have generously donated a beautiful Talis/Chuppah to honor Rosa Shoshana Gottesman for her strength, courage, faith and positive outlook. The Sisterhood invites all of the KJBS families to have the names of their children and grandchildren embroidered on this special Chuppah, along with Rosa's name. The Chuppa is used during "Kol Ha'narim" on Simchat Torah, as in previous years. (This special Aliya is dedicated to the children).

A nominal charge of \$54.00 per family has been set to cover the cost of having a family's name embroidered on this Chuppah. Additional names may be submitted for an additional cost (see enclosed form). Please return the forms to the office by June 15, 2010.

Come join us as we continue to fill the **ENTIRE** 6x6 Chuppah with the names of those we treasure.

Sincerely yours,

Judy Daniels

Sisterhood President
